

It is with great sadness that we learned of the death of our friend and ASER administrator, Olivier COUSI. He fought with courage for more than a year against a cancer that left him no choice.

Olivier was our friend for many years and if he was not part of all our fights, he chose to join us in the protection of human rights and international law in the field of arms transfers and use.

It is thanks to Olivier that we met Matteo BONAGLIA, our lawyer, whom he supported notably by his presence during the pleading at the administrative court of Paris in 2019. Since then, he was less present due to the circumstances and to his office as President of the Paris Bar, which he held until the end.

We lose a friend and ASER a faithful supporter.

Yours sincerely
